PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 06/02/2022, and 06/22/2022.

On October 2, 2020, Mr. Coe's conditions of supervised release specific to 2:15CR00126-WFN-1 were reviewed with him telephonically due to the current and continued COVID-19 pandemic. On November 18, 2020, Mr. Coe reported to the U.S. Probation Office in Spokane, and signed his conditions of supervised release as previously reviewed with him.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

4	Standard Condition #2: The defendant shall not unlawfully possess a controlled substance. The defendant shall refrain from any unlawful use of a controlled substance, including marijuana, which remains illegal under federal law. The defendant shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as determined by the court.
---	--

Supporting Evidence: Mr. Michael Coe is alleged to have violated standard condition number 2 by ingesting fentanyl on or about June 14, 2022, based on urinalysis testing.

Specifically, on June 14, 2022, Mr. Coe reported to Pioneer Human Services in Spokane, to submit to urinalysis testing as directed by the undersigned officer after he failed to report for random testing on June 13, 2022, when his assigned color was called by the provider. Mr. Coe subsequently submitted a urinalysis sample that reflected as presumptive positive for

fentanyl, benzodiazepines, and marijuana. A drug use denial form was additionally received in which the client admitted to using marijuana on or about May 29, 2022, as previously disclosed, but in which he denied any use of fentanyl or benzodiazepines, noting on the report, "feint line."

On June 23, 2022, the lab report was received by the undersigned officer which confirmed the sample submitted by Mr. Coe on June 14, 2022, was confirmed positive for fentanyl. An additional and previously received lab report confirmed the sample was negative for benzodiazepines and the lab has yet to report any finding in regard to the presence of marijuana in the sample submitted.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
